Kasasa Cash Back®

This disclosure contains the rules that govern your deposit account.

Account Description	
Kasasa Cash Back®:	A free variable reward checking account with no minimum balance that rewards accountholders with cash back on their PIN-based and signature-based debit card purchases and nationwide ATM fee refunds when they meet minimum qualifications (see qualification section) during the account's Monthly Qualification Cycle.
Citizens Savings Bank Expectations	
Purpose & Expected Use:	<p>The Kasasa Cash Back account that is linked to Kasasa Saver account is intended to be the accountholder's primary checking account in which payroll transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.</p> <p>Commensurate with the spending activities identified above, we expect the linked Kasasa Cash Back account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. For example, five debit card transactions, each for a dollar, conducted at a convenience store, two days before the end of the cycle period would not be considered by our institution as normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.</p> <p>Citizens Savings Bank reserves the right to determine if the linked Kasasa Cash Back account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different checking account or closed altogether. We also reserve the right to convert the account to a different account if the account does not have consistent active use. The attached Kasasa Saver account will also be closed if the Kasasa Cash Back account is converted or closed.</p> <p>We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us, including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A Citizens Savings Bank check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Cash Back or Kasasa Saver account, any optional add-on products / services associated with these accounts will also be terminated at the same time.</p>
